WE WANT SURPRISE

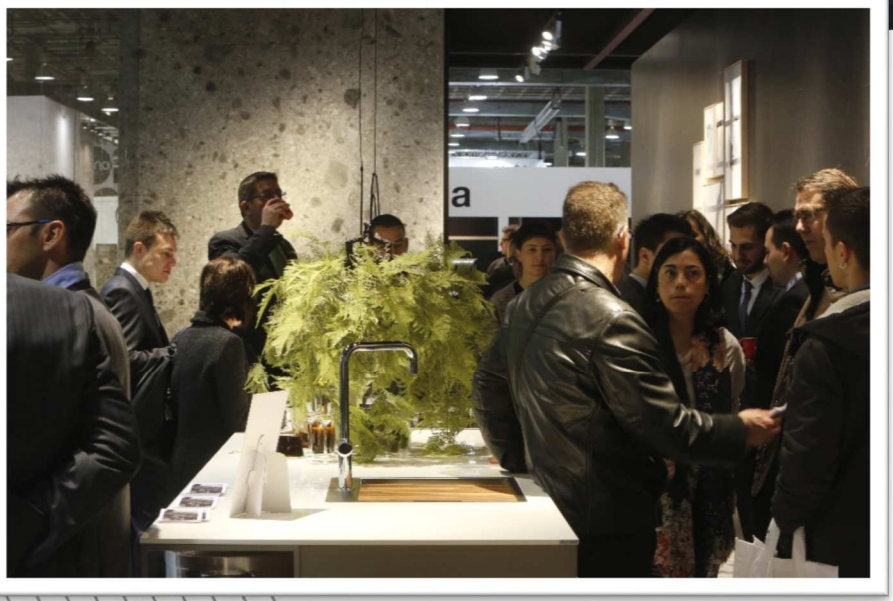
ESPACIO COCINA SICI 2019

The kitchen is the main protagonist of the new houses. Today we live in the kitchen. This **protagonist** demands new **materials**, more **technology**, more **space**, more **light** ... more **life**. Now is the time for the kitchen sector to have their appointment.

WE GIVE
SOLUTIONS

ESPACIO COCINA SICI 2019

Kitchen studios, furniture stores, architects, decorators, builders-reformers, installers ... **All** kitchen professionals seek **solutions** and **answers** for their **businesses**. The rooms of the house that are renewed more and in which more is invested: kitchen and bathroom.



LET'S TALK ABOUT BUSINESS

In recent years, large foreign groups, chains and franchises have left the Spanish market. Domestic manufacturers try to take advantage of this **market opportunity**. Retailers and professionals seek **new suppliers**.

FLEXIBILITY

EVERYTHING IS POSSIBLE

ESPACIO COCINA SICI
TRENDS AND TECHNOLOGY 29 ENERO - 1 FEBRERO FERIA VALENCIA
2019

In the traditional way of being at the fair with a stand, we study **all the options** that the client proposes to us.
At the **fair**: collaborations, sponsorships, demonstration areas, 'show cooking', workshops ... And in the **city**: events, presentations at emblematic places, 'fuori fiera' actions and 'city marketing'.

PROFESSIONALISM

Feria Valencia and the Spanish Kitchen Furniture Association (AMC) bring experience,
capacity of organization,
Knowledge of the sector
and, above all,
a lot of hope.
